MASKS MUST BE WORN

BOOKINGS ESSENTIAL - 0428 280 839 / 0418 638 719

www.kynetonoldtimedanceclub.net

.....
Attached please find a nomination form for the election of office bearers. If you would like to nominate for office, or nominate someone else, please complete the form and either return it to Mary Thornely via email – marythornely1@gmail.com or take it to the meeting with you.

.....
I am also attaching the application form for membership of the Club for any of you who would like to become a member before the AGM on 1 December 2020.
To nominate or hold office you must be a financial member of the Club prior to the meeting, you can apply for membership and pay the fees (\$20.00) on the day of the meeting if you wish. For more information, contact Mary on 0428 280 839.
If you would like to be a member, we would love to welcome you as such.

.....
For many of you, club membership may not be something you want to do or practical for you distance-wise. However, I will send the forms out via my mailing list rather than try to presume who may or may not be interested. It is only attached for those of you want to consider becoming a member. There is absolutely no pressure to join the Club. This is just a vehicle to get the forms to those who want them. Otherwise, just delete them.
.....

'KEEPING IN TOUCH'

What wonderful news that covid restrictions have been lifted considerably and may be further eased at the weekend. Our friends from the metropolitan areas and Mitchell Shire (for part of the time), who have been most affected by lockdowns and travel restrictions, have done a tremendous job under what must have often been very difficult circumstances. We regional residents had it so much easier than those in metropolitan Melbourne, but nevertheless we were affected, during the past 8-9 months. Well done to us all for sticking to the rules and seeing the risks and numbers decrease so encouragingly.

Of course, this does not mean the virus has gone away completely and forever. The next couple of months, and beyond, will be vital in maintaining control. We still need to be vigilant and sensible, probably for many months, but we can now meet up and socialise more, whilst still keeping to the rules that have gradually reduced our risk. We cannot become complacent.

We may not be able to dance yet, but now that we can meet up with each other again, I think that this little newsletter has done its job by providing a limited avenue for us to stay connected. I have thoroughly enjoyed compiling the letters and it has been a pleasure to get to know many of you better through your messages. I have very much appreciated the support, encouragement and interest that I have received from so many of you. The contributions that you sent me were so helpful, interesting and funny, usually resulting in very positive responses from those reading them.

I will follow up the AGM with a brief update to keep you in the loop after the AGM and then sign off from our little newsletter in December. We can always resume if the need arises, please God that it does not.

Julie Wilson
